With the blessings of Sri Bhagavan Vedavyasa, our Veda Patashala **SRI TRAYEE VIDYA GURUKULAM** Regd.No.86/2021 at Srirangam and Chennai has been functioning for the past 13 years. The Gurukulam has no permanent funds and is being run with the support of like-minded people. Our gurukulam teaches "RIG VEDA, YAJUR VEDA and VEDANTA SHASTRAS" to over 80 students residing here. Over the years, 20 students have completed their studies and are well placed as teachers (ADHYAPAKAS) in various gurukulams.

Our Current premises are not sufficient to accommodate further new students. By God's grace and like minded people's support, our gurukulam has acquired a land of around **10,000 sq.ft at Kirangoor village, Srirangapatnam (near Mysore) Karnataka State**. At this place, a new gurukulam building of around 8000 Sq.ft has been initiated to be built with all the required facilities for the students.

The Construction cost is estimated to be around 1.5 crores. For the Veda Rakshana and Vidyarthi Poshana, we appeal you to support in the building construction in all the possible ways and earn the blessings of Sri Bhagavan Vedavyasa.

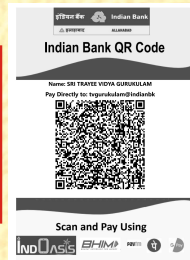

As the scriptures say, any dharma karya towards Veda Rakshana benefits the ten prior and post generations of donor's in addition to the donor as well. We therefore once again appeal to your goodself to participate in the construcion for which we would be ever thankful to you.
